

OUR MISSION

COP 26

Following the Prime Minister's COP26 commitments, the National Green Growth Strategy for 2021-2030, vision towards 2050 was ratified with these targets:

- Reduce carbon dioxide emissions per unit of GDP
- Green Vietnam's economy
- Promote sustainable lifestyles and conscious consumption
- Raise quality of life and resilience in the face of climate change

GEFE 2022

Bring European best practices & technologies to Vietnam to support the country reaching net zero target. GEFE aligned with Vietnam's National Green Growth Strategy.

300 EXHIBITORS

6,000 VISITORS

VIETNAM STATUS

Climate change is threatening Vietnam's future. This is compounded by environmental degradation from air and water pollution, and plastic waste.
